Registror

To The Class of 1952

My congratulations to the class of 1952 on your completion of the college course at the Clarion State Teachers College. You are now numbered among the 4000 alumni of this state institution of higher learning. As you meet at the annual banquets of the Alumni Association you will find a spirit of loyalty pervades them that is seldom found elsewhere. You will find that all of them are working to keep their college on the highest academic and scholastic plane possible and to make it the best possible force for preparing teachers in our Commonwealth.

Most of the men of your class will go for a time into the armed forces. As a draftee in the first contingent of the first world war I found it not bad after one once gets in. You will come back with a richer experience and broader outlook on life. This experience has caused many Clarion men to think more fondly of the college than if they had started teaching nearby.

Dr. Paul G. Chandler,
President,
Clarion State Teachers College

Association of Childhood Education

The Association of Childhood Education is an arganization founded principally for those students interested in elementary education. Meetings are held on the fourth Wednesday of each month.

The chief purposes of this organization are to acquaint interested persons in the progressive methods of elementary teaching, to gather and

distribute information concerning the education of young children, and to work in cooperation with Association of Childhood Education International by following their suggestions for worthwhile programs.

For those interested in early childhood education, the Association of Childhood Education has proved to be a worthwhile activity.

art Club

The Art Club is an extra-curricular organization maintained for the purpose of benefiting those students who are particularly interested in art. The club strives to contribute whot it can to the art consciousness of the college and community. We aid other organizations in the college by making posters, lettering of certificates, and assisting with dance decorations. Projects of interest engaged in by the club this year were etched troys, leather work, Christmas projects, and the selling of college stationery. When the club is so inclined, a trip to Pittsburgh is token

to visit the Carnegie Golleries and other buildings of interest.

An important social event in the fall was the party given by the Kossels in their Rumpus Room. The Art and Press Club Banquet, now a colorful college tradition, was also a highly successful affair.

In May the Club will sponsor an exhibition of the pointings of one of its alumni, Mrs. Henry Morgan. The club feels it o privilege to be able to exhibit Mrs. Morgan's work which has received many high honors in Pennsylvanio.

Camera Club

For anyone who wants to begin or continue his hobby in photography, we have the Camera Club under the very capable supervision of Dr. Peirce.

Here at Clarion there is a well equipped dark room plus a Speed Graphic which are at the disposal of the student at all times. If there is anyone who wants to learn how to develop films, print pictures, or use the Speed Graphic, the members of Camera Club and Dr. Peirce have been glad to teach him.

The Camera Club is also accredited with many of the pictures which appear in the

CLARION CALL and in the SEQUELLE.

During the year we have various programs for the club periods. Same pragrams, such as showing movies or the slides taken by a member of the club, are purely for our entertainment. Others, such as slides from the Eastern Kodak Company and guest speakers, are to increase our knowledge of photography.

One of the main events of each semester is going to Camp Coffman or to Cooks Forest. This was the time when fun was had by all—the time for sports plus plenty to eat.

Juture Jeachers of America

The Future Teachers of America, Clarion Chapter, was organized to deepen the interest in education in all students who expect to become teachers. The purposes and principles of the club are much the same as those of its parent organizations, the National Education Association and the Pennsylvania State Educational Association. Membership is open to all Clarion students.

Many activities fostered by the F.T.A. members have helped to set up F.T.A. organizations in high schools in the district. Our group has played host to high school F.T.A. clubs who were interested in our college. Social activities are planned throughout the year. Guest speak-

ers enlighten the students concerning madern educational practices. We often participate vicariously in classroom situations through the media of movies.

A merit system has been developed by which members may earn points as a result of participation in qualified activities. Such activities include working as an officer of the club, helping plan F. T. A. programs, teaching Sunday School or similar church activities, and working with such organizations as YWCA, YMCA and Boy Scouts. Having earned a required number of points a certificate of merit is issued upon graduation with the recommendation of our sponsor.

College Players

The College Players is the oldest and one of the most active extra-curricular activities on campus. Various phases of drama are presented to the members such as play productian, make-up, lighting, costuming, properties and acting techniques. The meetings for the year have been well planned and placed under specific chairmen to better present these phases. "The Man Who Married a Dumb Wife", a force by Anatole

France, was presented the first semester and a three-act play the second semester.

The annual Christmas banquet with good food, wonderful entertainment and a visit from Santa (who had a good word and small token for all) highlighted the social aspect of the club.

Miss Marwick is the faculty advisor of the club and Miss Boyd is the faculty advisor of the make-up for the plays presented.

Raw 3 Mr. Kuhner, F. Shorrow, H. McCoy, P. McNoughton, A. Weover

Geography Club

The Geography Club is an organization for all students interested in geography and travel. Most of the members are geography majors arminors, but this is not a requirement for membership. Under the able guidance of Mr. Kuhner, the members themselves organize and sponsor their own activities.

Some of the past programs have been quiz programs, movies on travel and conservation, and various similar activities. Mrs. Davis has honored us by giving a lecture and showing colored slides on her journeys to Alaska and Europe.

The Geogrophy Club has taken trips to Pittsburgh, the local glass plant, the Shippenville pottery, and the Coca-Cola Bottling Company of Clarion. Other interesting field trips are being planned for the future.

In addition to programs of an academic nature, this organization also participates in social events. Parties are held at various times throughout the year, and also picnics at Cooks Forest. All students are cordially invited to join the Geography Club and share in our many activities.

International Relations Club

OFFICERS

President	Gus Johnson
Vice-President	. Rockne May
Secretary-Treasurer	Robert Mohney
Sponsor	Dr. S. E. Slick

The International Relations Club this year enjoyed one of its most successful years. Some of our activities were the picnic at Cook Forest, movies, and the highlight of the year, our annual trip to the United Nations Assembly at New York City.

The purpose of the club is to present to the members some of our current international prob-

lems, which are then opened for discussion by the group. Such topics as the Korean War, Universal Military Training, and the West Point scandal were discussed.

Our president, Gus Johnson, attended the I. R. C. conferences at Johns Hopkins and Temple University.

Outdoor Club

For those who like the great outdoors, we have the Outdoor Club, whose oim is to provide recreation and healthful activities for its members. Once each semester the members of this club have an all day outing at Cooks Forest. During the day we take hikes on the various trails, play softball, eot, and then spend the rest of the time dancing. It is a day full of fun and activities.

When the weather man permits, we also make use of the toboggan slide which is located near the football field. After several trips up and down the slide, we come in for refreshments.

The Nature Trail, which the Outdoor Club sponsors, is going to have a path added which will be a short cut for those who do not want to hike the regular $2\frac{1}{2}$ mile trail. The members of the club have undertaken the job of preparing signs for this cut-off.

Our sponsor, Dr. Donald Predmore, has given us a great deal of assistance in our work and other activities and we appreciate his aid very much.

Newman Club

The Newman Club, open to all students of the Catholic faith, is organized for the promotion of spiritual, social and cultural life. Here on the campus the Newman Club fulfills these purposes throughout the year by conducting various activities. Meetings are held on alternote Wednesday evenings. The program includes various speakers, group discussions and movies.

Social activities of the year have been a "get-acquainted" dance, a pre-Lenten dance, communion breakfast and a lecture by Father Griffin of Oil City.

Press Club

The Press Club is the organization which is responsible for the production of the CLARION CALL, our college paper. The club members try to add interest to the newspaper by contributing amusing features in addition to the routine news reporting that they do.

The Press Club carries on an exchange

policy with other collegiate papers throughout the country. This enables them to compare their work with that of other papers.

The CALL had a good deal to report this year because of the immense success of our basketball team.

Royal Order of Waiters

The primary goal of the Royal Order of Waiters is to provide the students of Clarion with efficient service in our dining hall. The club has a voluntary membership of all those students whose work is connected with the dining hall.

Decorating the tables and dining hall for all

our holiday dinners was our main project for the year.

The Waiters Club has also been very active socially. Club meetings, several record dances, a Christmas party, and the annual waiters' picnic at Cook Forest comprise their social activities.

Student Christian Association

OFFICERS

President			John Leathers
Vice-President			Don Curfman
Secretary			Peggy Rearick
Treasurer			Eugenia Price
Advisors			Dr. Stanley Lore Dr. Paul Shank

The Student Christian Association is the answer to the spiritual and social needs of the student while he is on campus. It is the result of the fusion of the Y. W. C. A. and the Y. M. C. A.

The organization is inter-denominational and inter-racial and is open to all at any time.

This year the S. C. A. has enjoyed the largest membership in its history. The religious group

Student Christian Association

has succeeded in the publication of its own paper called SCAT, The Student Christian Association Times, in which have appeared many fine editorials and articles.

Every Wednesday night devotions and programs are presented by various students in the college chapel. Several outstanding religious films have been shown and the arganization has been privileged in hearing some of the best speakers obtainable. A series of three meetings was devoted to various phases of Racial Prejudices.

There has also been an excellent opportunity for fun and fellowship through various social activities including the picnic at Clarion Park, the Halloween Party, the Christmas Party and the banquet in Becht Hall—the highlight of the season.

We have had wonderful cooperation with the Newman Club in promoting such activities and prajects as: the Freshman "Get Acquainted Party", Christmas Caroling, the WSSF Drive and the annual Cooks Farest picnic.

Sportsman's Club

Every Tuesday evening the small bore enthusiasts of the college gather at the rifle range in Davis Hall. Here the members of the Sportsman's Club, under the supervision of Mr. Charles Flack, our sponsor, make use of five Remington 513 target rifles loaned to the club by the United States government. Under the sanction of the National Rifleman Association the members shoot a qualification course and are eligible for medals showing their achievements. A number of smoll bore matches are scheduled during the year and the Clarion team always makes a good showing, although not winning every time. These matches have been a source of great interest in the club and have helped to attract many new members to the organization.

The club also sponsors a bowling team which competes with various teams from the surrounding area. Other members are able to gain access to various sources of information in sporting fields in which they may be interested.

Women's Athletic Association

The WAA members are a group of sportsminded women on campus who are under the able sponsorship of Miss Carter. The membership of the WAA has practically doubled since last year, and we hope that it will continue to grow in the future.

The purposes of the organization are to stimulate the interest of the entire student bady in athletics and recreational activities and to faster the spirit of friendliness, goodwill, and good sportsmanship.

The WAA's intramural program cansists of the following sports: valleyball, basketball, saftball, tennis, badminton, ping pang, bowling, hiking, archery, and dancing. The WAA accepted several invitations from other colleges to participate in playdays. At all of these events the girls returned with reports of having formed new friendships and of having had wonderful times.

The club also instituted a "Play Night" far the entire college. Different activities were held in each of the main buildings on the campus. The students entered whole-heartedly into the activities, each doing whatever she chose for the evening.

When the girls have fulfilled their qualifications for joining the organization, they are awarded a letter.

Varsity "C"

The Varsity C Club is an arganization on the campus consisting of athletes honored for their sportsmanship and their participation in the field of sports. The purpose of this arganization is to help and to promote inter-collegiate athletics in the college. To gain membership in this arganization a person must earn a letter in any of the varsity sports at Clarion.

It was the members of this group who sup-

plied you with the programs, pop and sandwiches at the sports events this year.

Special awards to seniors, three-year men and twa-year men are being purchased with the money made from the sale of refreshments at various games held on the campus.

The Varsity C wishes to extend its thanks to the students of Clarion for helping the club in every manner.

College Band

The instrumental end of the campus musical program is an active publicity agent for the college. We provided background and spirit for our home football games, rain or shine, and also went with the team to most away games. Incidentally, we are an all-weather outfit now with our rain tags and new braid-trimmed winter jackets.

At the beginning of the second semester we

began our cancert work, presenting an entirely new pragram of numbers in chapel assembly. Soan after this perfarmance we started our annual tour of surraunding communities. New members to our fold have capably taken over several solo openings.

It was our privilege to be on hand for the thrilling basketball victories over Geneva and Millersville State Teachers Callege.

Left to right—D. Daugherty, E. Seibert, K. Adams, A. Marshall and P. Manny.

College Ensemble

To answer short pragram requests of local and neighboring community organizations is the chief purpose of our College Ensemble. Composed of a trio—Kassi, Alice, and Donna—and a quartet—add Betty to the trio, the group pre-

sents some interesting arrangements for its audiences.

Mike Helmintoller accompanies us often to give even more variety to our program with his baritone solos. Mr. Hart acts as director and chauffeur.

a Capella Choir

The A Capella Choir, directed by Mr. Walter Hart, is one of the most active organizations on the campus. Each year this choral group gives many concerts in churches and schools of Western Pennsylvania. The choir also participates in an assembly program annually. Each year, as the Christmas season approaches, the Choir presents Handel's "Messiah" in an evening program in the chapel.

Over half the personnel of the choir this year are members returning from last year. These more experienced members are a helpful influence on the new members.

The concert trips are enjoyed by all members of the chair. Concerts scheduled for this year include Imperial, Burgettstown, Kane, Warren, Oil City, and Parker.

Each year several members of the choir are chosen to represent Clarion State Teachers College in the Intercollegiate All-State Choir.

Membership in the A Capella Choir is limited to students who are sincerely interested in choral work and merit awards of letters and sweaters are given on the basis of active participation.

Student Senate

OFFICERS

President Vice-President Secretary Charles Krepps Mike Caruso Kitty Zerbe

The Student Senate is the executive body of the Community Government Association of Clarion State Teachers College. Its main purpose is drawing up the budget for the purpose of distributing the students activity fees among the different campus activities. It must determine the importance of one organization in relationship to other organizations, and draw up their budget accordingly.

The major achievements of this year's Senate were the installation of television sets in each of the four major dormitories, and underwriting the expenses of the school basketball team to the N. A. I. B. tournament in Kansas.

Social Committee

OFFICERS

Chairman Vice-President Treasurer Secretary Donna Mortland Jack Black Ned Salerno Patricia Skinner

The Social Committee has the task of providing a well-rounded social program for the students at Clarion.

The members elected this year were: Patricia Skinner—senior class, Ned Salerno—junior class, Jack Black—sophomore class, Louella Schberie!—freshman class, Elaine Bova—Pan-Hell, Donna Mortland—Women's Dayroom, and Dick Black—Men's Dayroom.

The faculty sponsors, Miss Stoke, Miss Car-

ter, Dr. Shank, and Dr. Lore, have all helped in our planning and in carrying out our program.

Featured this year an our social program were twilight, record and square dances, sponsored by the sororities, fraternities, and some campus clubs. The details of the four big dances were taken care of by the class organizations.

The social program this year has been successful and varied and will undaubtedly be enlarged next year.

Football

The high-flying Golden Eagles set an impressive record of 4 wins, 2 losses, and 1 tie in the gridiron battles of the '51-'52 season. Excellent passing, blocking, and sheer smart playing gave their opponents a game.

The Eagle Seniors on the squad will remember their victory over Indiana, our traditional rival, 6-0.

The Senior Eagles, who have played their last college game, are Johnny Busch, Mike Caruso, Bob Coury, Herb Elias, Ray Predebon, Glenn Stennett, and Bruce Taylor.

Next year's Eagles will have these stars: Georgie Czap, John Louvre, Ed Wisniewski, and D. Bevevino among others.

Basketball

Never before has Clarion State Teachers
College received or deserved such favorable
publicity as that which they received through
the success of this year's basketball team, a team
which accomplished the incredible by finishing
its season undefeated and achieved the best
record in the school's history.

Outscoring seventeen teams, the Golden Eagles stacked the unbelievable record of seventeen wins and no blemishes in the regular season. With this impressive record, the Kribbs coached team went into the NAIB play-offs.

At New Wilmington on Westminster's neutral floor, the Golden Eagles played only five men and came out victorious over the "big college" Geneva by the score of 87-75.

With one play-off game under their belts Clarion ventured to Altoona to win the NAIB District 30 toga from Millersville. In perhaps the most thrilling game of the year, Stemmerich dumped the winning field goal with twenty-seven seconds remaining. The final score was 50-49.

The Wonder Team then traveled to Kansas City to play some of the best in the Kansas City NAIB Tournament. Tall Utah State clipped the Eagles' wings and their winning streak at nineteen straight games. The only loss of the year's score was 85-68. The final record was 19-1.

Many of the Eagles will be back for more basketball next year, but the remaining Eagles are sure to miss John Wiberg and Bob Kelly. Both these men with their team-mates Stemmerich, R. Buck, and J. Blaney have been named on mythical championship teams throughout the state. Reserves Peter Mervosh, Sal Russo, and John Buck came through for the Eagles when the "iron men" were a little rusty.

Alpha Gamma Phi

Alpha Gamma Phi, the oldest and only froternity on campus without national affiliation, is founded on the ideals of sportsmanship and fellowship.

The Gamma's are highly sportsminded and regard athletics as a fine relaxation and physical improvement.

The fraternity is quite proud of its spirit of fellowship which the brothers feel is second to

none on campus.

The Gamma's began an activity this year that they hope to make an annual affair. That activity was their Homecaming Banquet to which the fraternity invited all the men who have been members of the fraternity since its origin in 1930. The Gamma's are looking forward to seeing more of their alumni brothers in years to come.

The Phi Chapter of Delta Kappa National Fraternity was formerly known as the Alpha Phi Alpha. The Delta Kappa Fraternity was founded in 1920 at Buffalo State Teachers College, Buffalo, New York, as a fraternity for young men entering the teaching profession. The fraternity was founded an the fundamental concepts: Uprightness, Guidance, and Hanarableness. Any young man of goad moral character, believing in a Supreme Being, shall be eligible for this fraternity, pravided he has been a student of honar, industriausly engaged in the school's activities.

The fraternity started out its year's activities with an initiation banquet held on the campus. The initiation was attended by the National Officers of the Fraternity and by representatives from other chapters.

Other activities of the fraternity included dances, parties, and sports. The highlight of the year was the initiation of new members, which was a very enjayable accasion.

The annual spring convocation was held May 3rd and 4th at Oswego, New York. Several members of the local chapter attended and returned with many new ideas for the activities of the coming year. Besides the business meeting a farmal prom was held in honor of the various visiting members.

Delta Sigma Epsilon

Another year of memorable events has been put in the records of Alpha Zeta Chapter of Delta Sigma Epsilon. Delta Sig, the largest national sorority on campus, is founded on scholarship, leadership, and character.

Much emphasis is put on social life; some of the highlights of the year being our weekend at Cook's Forest, the Pon-Hellenic Dance, Christmas Party, parties with our Sig Tau brothers, Rush Party, and in general just every time we get toaether.

This year our rush party was a Navy theme. We took fifteen girls for a cruise on the Good Ship Delta Sig. We are very pleased to report that thirteen of these girls decided to join us and keep sailing with the D. S. E.

To keep ourselves busy this year we have had rummage sales, food sales, sponsored dances, sent gifts, and endowed a bed for a war orphan.

This year we have Miss Frances Carter as our sponsor. Miss Peg Fisher paid us a visit during Miss Carter's initiation. Her visit was delightful and she extended us many suggestions. With these hints, our new sponsor, and our new girls; we Delta Sigs are looking forward to another successful year.

The Lambda Chi is an active lacal group an the Clarion Campus. We were organized in 1931. To qualify for membership, a girl must exhibit good personal traits, excellent character, and a record of high level in ocademic achievement. The aim of our sorority is to provide congenial friends, social activities, and intellectual stimulation for all its sisters. Lambda Chi members may buy jackets, hots, ond sweet shirts in sorority colors of coral and green. Pins may also be purchased by members who desire them.

Activities of the year included a party for

the olumnae, a joint meeting with the other two local sororities, a card party, a week-end ot Shreffler's cabin, a Mother's Day Tea, Christmas baskets for needy families and various other teas and parties.

This year's Rush Party was held in the gym under the chapel. The theme was the Beaux Arts Ball, and rushees and actives dressed accordingly. We have eleven rushees this semester.

Our two advisors have added efficiency and enthusiasm to the group and have helped us make it a mast successful year.

The Sigma Delta Phi Sorority is the oldest on the campus. It was founded in 1930 and at present has a membership of twenty-seven.

In the fall of last year the girls spent a weekend at Cooks Forest. Another event was the Christmas party. At this time the sorority presented a basket of food to a needy family

of Clarion.

A hobo theme was used for our rush party this year. It was held in the social room of the Ross Memorial Library.

The Sigma Delta Phi is proud of its sponsors, Miss Bertha Nair and Miss Martha Stewart, who are always ready to help in any situation.

Alpha Pi chapter of Sigma Sigma Sigma, one of the two national sorcrities on campus, was organized on the Clarion campus seventeen years ago. The purposes of this organization center mainly in the establishment of lasting friendly relationships among its sisters and in the development of high ideals of character in all its members.

Outstanding events of this year included a visit from the traveling secretary, Janet Mayer, in December. Miss Mayer found Tri Sigma matters in good order and tharoughly enjoyed the friendly Clarion campus.

Homecoming week-end was a triumph for

Tri Sigma; Jean Gray Garbart was crowned queen of Delta Kappa Fraternity; "The Sigma's Model" was an attractive float in the parade that day.

In February, "a haunted house" theme was carried out for secand semester rushing. The situation at the party was "grave" but everyone had a good time.

Mrs. Merrill Haines, recently appointed Alumnae Advisor, the Misses Gamble and Banner, co-sponsors, together with Mrs. Bird Riley, Mrs. C. A. Kuhner, Mrs. C. B. Long, patronesses, helped the sorority with their ever-present ideas and guidance.

Sigma Jau Gamma

The Alpha Zeta chapter of the Sigma Tau Gamma national fraternity pledges members to its organization, not because of their past accomplishments, but because the chapter membership believes that they have the personal traits necessary for present and future accomplishment. Fraternity membership offers the individual an intimate relationship with others and a mutual interest in the personal growth and achievement of all its members. At all times, the Sig Tau member must recognize that his first loyalty, as a student, belongs to his college. He

should, therefore, participate enthusiastically in the formal educational activities of the institution.

The fraternity has experienced a very successful social year. The calendar, including participation in campus functions, rushing and pledging of new members, district and national conclaves, was highlighted by a party held for our sister sororities. Because of the success of this "brother-sister" function, the fraternity has adopted it as an outstanding feature of its annual social program.

The Theta's have been located an this campus for a number of years. This year our enrollment was small and since we lost a number of members due to dropping out of school and transferring, we have decided to disband our sorarity. We are surry to have to do this but no other course is clear. Our associations with the sorarity have always been pleasant ones. We would like to thank Miss Skaggs for working

with us and doing her best to make our sorarity a good one. We hope all of the members will always keep in touch with their sorarity sisters wherever they go. Three of aur members were pledged to the Sigma Delt's. We are sure that no matter where we go we will always keep in mind the sorarity ideals of sisterhood, layalty, and friendship.

P. Skinner, P. Schultz, P. Mochnick, A. Govaletz, D. Benson

Alpha Psi Omega

Alpha Psi Omega, national honorary dramatic fraternity, was installed on Clarion campus in 1936 by Miss Marie Marwick. Miss Margaret Boyd is the sponsor of Clarion's cast, Alpha Upsilon.

One of the largest fraternities of its type, it offers membership only to those students who have obtained recognition in the various phases of play production. The fraternity attempts to promote and stimulate appreciation of the drama.

Rigid requirements and the honor of being a member of Alpha Psi presents a challenge to all those students affiliated with college dramatic clubs.

Dr. Lare, M. Banner, H. Skaggs, Dr. Slick

Pi Gamma Mu

OFFICERS

President Vice-President Secretary-Treasurer Sponsor

One of the leading notional honor societies at Clarion is Pi Gamma Mu. Majors in the field of social science who have completed twenty semester hours in that field with a "B" average are elected to the society. Due to these requirements only upper classmen, usually seniors, are elected as new members. New members initiated March 12, 1952, were: Gloria Durbin, Jacob

William Lafranchi Harriet Skaggs Sewell E. Slick Sewell E. Slick

Shaffer, Stanley Plavny, Herman Brown, Joanne Hill and Frank Palaggo. The major active part of the society is made up of faculty members who possess the necessary requirements.

The official journal of Pi Gamma Mu is Social Science which is published quarterly and distributed to the vorious chapters.

"Ye shall know the truth and the truth shall make you free."

Phi Sigma Pi

The largest honorary fraternity at Clarion is Phi Sigma Pi, a professional educational fraternity. Requirements for membership are high scholarship and future promise of leodership in the field of education.

It is the purpose of our fraternity to advance educational ideals and meet the needs of close fellowship and social intercourse among men of like interests in teacher training institutions.

Clarion's Lambda Chapter was chartered in 1932. Dr. Stanley W. Lore, our sponsor, was one of its charter members.

The foremast event of the first semester was the initiation of new members. Those entering into our fellowship included James Bierly, Wayne Kruper, Charles Koos, Robert McElhatten, Edward Mott, Albert Orris, Raymond Predebon, Jacob Shaffer, Albert Woodman, and Mr. James D. Moore, Dean of Instruction at the college.

The events of the second semester included the Founders' Day Banquet and other activities of interest to all.

Panhellenic And Interfraternity Councils

The governing bodies of the sororities and fraternities on campus are the Panhellenic and Interfraternity Councils. Each sorority and fraternity elect their own representative to the Councils. The Councils conform to the National

Panhellenic and Interfraternity Council rules. Miss Boyd is advisor to the Panhellenic Council and Mr. Kuhner is advisor to the Interfraternity Council.

Row 1 I. Vobrak, K. Zerbe, P. Schultz, G. Durbin, R. Miller

Who's Who

Members selected to "Who's Who" are made from seniars having an A or B average with the juniors having the highest averages completing the guota. These students are considered by a faculty committee as being superior in scholarship, leadership, and participation in campus activities. These students become members of "Who's Who in American Universities and Colleges." Over six hundred educational institutions elect members to this honorary organization. The members receive recognition in the annual publication of the organization and free placement service.

Clarion has had a "Who's Who" contingent since 1934. This year's group has twelve members.
